Where has that smile  
on your face gone?  
You laughed  
You laughed  
You laughed  
'Till the joke wasn't funny anymore

You're just a nail  
I can hammer home  
(Ba ba ba ba)  
You're just a nail  
I can hammer home  
(Ba ba ba ba)  
You're just a nail  
I can hammer home  
(Ba ba ba ba)  
This is how it is  
and how it should be

How it should be  
How it should be  
How it should be  
How it should be

I feel that summer's on the way  
You talked  
You talked  
You talked  
'Till the rivers all run sad  
Where is the dream we once had?  
You stole my soul and made me bad

It's just a call on the telephone  
(Ba ba ba ba)  
It's just a call on the telephone

(Ba ba ba ba)  
It's just a call on the telephone  
(Ba ba ba ba)  
This is how it is  
and how it should be

How it should be  
How it should be  
How it should be  
How it should be

You're just a nail  
I can hammer home  
(Ba ba ba ba)  
You're just a nail  
I can hammer home  
(Ba ba ba ba)  
You're just a nail  
I can hammer home  
(Ba ba ba ba)  
This is how it is  
and how it should be

You're just a nail  
I can hammer home  
You're just a nail  
I can hammer home  
You're just a nail  
I can hammer home  
This is how it is  
and how it should be
