Lying around  
There's no need to lie  
First it's in your heart  
Then it's in your eyes

Lie down the line  
You can't take the truth  
The way I am  
I can't feel you move

I can't feel you move  
I can't feel you move

layers of skin  
I can't touch within  
Heard it in your voice  
Read it in your eyes

Lie down the line

You can't take the truth  
My head is sore  
I can't feel you move

I can't feel you move  
I can't feel you move

Running around  
There's no need to lie  
First it's in your heart  
Then it's in your eyes

I can't feel you move  
I can't feel you move  
I can't feel you move
