Husband don't know what he's done
Kids don't know what's wrong with mum
She can't say, they can't see
Putting it down to another bad day

Daddy don't know what he's done
Kids don't know what's wrong with mum

So this is how it feels to be lonely
This is how it feels to be small
This is how it feels when your word
Means nothing at all

Black car drives through the town
Some guy from the top estate
Left a note for a local girl
And yet he had it all on a plate

So this is how it feels to be lonely
This is how it feels to be small
This is how it feels when your word
Means nothing at all

Husband don't know what he's done
Kids don't know what's wrong with mum
She can't say, they can't see
Putting it down to another bad day

So this is how it feels to be lonely
This is how it feels to be small
This is how it feels when your word
Means nothing at all

So this is how it feels to be lonely
This is how it feels to be small
This is how it feels when your word
Means nothing at all

Nothing at all
Nothing at all
