when i was just a little kid, in elementary school,  
i didn't want to do anything that would make not be  
cool,  
all the girls had cooties, get near them and u die,  
now i wish i had taken a chance, and now i wonder why  
every year at valentines i pick my cards so carefully,  
throwing away the mushy ones, amking sure my mom  
didn't see,  
you might be my valentine, those who got to go,  
now i wish i taken them, but i guess i didn;t know

someday i'd like girls a lot  
and i;d want to give them all i got,  
flowers and candy on valentines day,  
and someday i would wanna say

### CHORUS

be mine, be my valentine, please love me for a day,  
i'll be yours and you'll be mine,  
I'll hold you close and say, be mine, be my valentine,

i'll tell you i love you,  
i'll write u a poem that doesn't rhyme,  
but it still was meant for you

now that i'm high school, i look back on the past,  
think of the things i missed as a kid,  
the train went by too fast on this valentine's day  
coming up  
there's one thing that i;m going to do,  
call you up on the telephone and say these words to  
you

### CHORUS

be mine, be my valentine, please love me for a day,  
i'll be yours and you'll be mine, i'll hold u close and say,  
be mine, be my valentine, i'll tell u i love you,  
i'll write u a poem that doesn't rhyme,  
but it still was meant for me and you
