Flooded with purpose
Courageous but worthless
I know just who's to blame
Hard fought solutions
To painful delusions
I know just who
Know just who's to blame
Tell me i'm not scared
Tell me i don't care
Beggars beggars
Are just what we are
Save us, well i don't feel the same
I don't know when, but i know we'll kill again
C'mon everybody
Hate us, cause war's the state of man
As the world goes mad, we're set to kill again
Tell me i'm not scared
Tell me i don't care
Beggars beggars
Are just what we are
Tell me i'm not scared
Tell me i don't care
Beggars beggars
Are just what we are
But i want answers yeah
I want answers yeah
But i won't answer yeah
Anymore
(second vocal line, same part)
Flooded with purpose, i'm flooded with purpose
Chorus
Tell me i'm not scared
Tell me i don't care
Beggars beggars
Are just what we are
Tell me i'm not scared
Tell me i don't care
Beggars beggars
Are just what we are
That's just what we are
That's just what we are
