"Are You Happy?"

Are you happy? Are you happy now?
Poised for Branding.
Too weak to know your faults
Tell me when your wishes fall apart do you turn to
nothing
Tell me why i wait to play the part. C'mon

I did my best to fall apart and take you all with me.
To say the utmost from my heart than beg you all to
stay.

Please take it. Are you happy? C'mon and tell me now.
So proud your standing.
Too weak to know your gone

Tell me when your wishes fall apart do you turn to
nothing
Tell me why you wait so long to start. C'mon

I said I don't like the way you say "I can't believe I had
my day and I should go away" Well not
