### "Lean On You"

Sad that I feel that we're wasting away cause you don't  
care  
Everytime someone pulls the trigger i say 'I told you'

Everyone can tell that we're killing ourselves lately,  
everyday  
Why can't you see it that way?

Well I just want you to say  
Hey, will you let me know what I gotta know  
Hey, will you let me go where i gotta go  
Hey, will you let me know.

How many times till you take them away? I'll scream all  
day about the helpless death and the  
Hopeless life.  
Don't we feel forsaken?

I'm leanin on you
