"Pissed Me Off Again"

Pissed me off again, test my patence.
You wish sentiments weren't contagious.
Pissed me off again, so elated.
You've made yourself overrated.

Fate says it's hard to do.
I'm harder than you

Here we go again. So I'm waiting
Wasted, obvious, lost and straying.

Cause I gave you to much time.
Tell me what I said. Cause I was wasted
But I hope you know that I'm still standing
I won't piss my stanards away

You got something to say?
I don't care
