"Types To Exceptions"

Visit "[Types To Exceptions](#)" on MotoLyrics.com

You take you're life's dissappointments
And turn them into self doubt
You're too self conscious to protest
So I will say it outloud

As I write your wrongs again
So caught up in false sentiment

So far down, down on the ground
You're taking nothing for granted
Just let it all hang out

Are you a type of exception or the exceptional type?
Go take your half ass confessions
And try and sell me on your self doubt

I brought it all for less while you sat there and second
guess again

So far down, down on the ground
You're taking nothing for granted
Just let it all hang out

Paving your way down.
