"Three Stops Short Of Dagenham"

Flooded with purpose
Courageous but worthless
I know just who's to blame.
Hard fought solutions
to painful delusions.
I know just who's to blame

Tell me I'm not scared. Tell me I don't care.
Beggars are just what we are.

Save us
Well I don't feel the same

I don't know when
But I know we'll kill again
C'mon everybody
Hate us
Cause war's the state of man
As the world goes mad
We're set to kill again

I want answers. Oh Yeah
But they don't answer, Oh Yeah, anymore.

I'm flooded with purpose.
