"Types To Exception"

Visit "[Types To Exception](#)" on MotoLyrics.com

you take your life's disappointments
and turn them into self doubt
you're too self conscious to protest
so i will say it outloud
as i write your wrongs again
so caught up in false sentiment
so far down
down on the ground
we're taken nothing for granted
just let it all hang out
so far down
down on the ground
just let all hang
are you a type of exception
or the exceptional type?
go take your half ass confessions
and try and sell me on your self doubt
cause i bought it all for less
while you sat there and second guess again
so far down
down on the ground
you taken nothing for granted
just let it all hang out
so far down
down on the ground
we're taken nothing for granted
just let it all hang
out out
out out
paving your way
out out
out out
paving your way again
out out
out out
paving your way down
cause i'm down
on the ground
so far down
again
so far down

down on the ground
you taken nothing for granted
just let it all hang out so far down
down on the ground
we're taken nothing for granted
just let it all hang out
