You take your life's disappointments  
And turn them into self doubt  
You're too self conscious to protest  
So I will say it out loud

As I write your wrongs again  
So caught up in false sentiment

So far down  
Down on the ground  
You're taking nothing for granted  
Just let it all hang out

So far down  
Down on the ground  
Just let it all hang

Are you a type of exception  
Or the exceptional type?  
Go take your half ass confessions  
And try and sell me on your self doubt

Well I brought it all for less  
While you sat there and second guess again

So far down  
Down on the ground  
You're taking nothing for granted  
Just let it all hang out

So far down  
Down on the ground  
You're taking nothing for granted  
Just let it all hang out  
Let it all hang out

Out, out  
Out, out  
Paving your way  
Out, out  
Out, out  
Paving your way again down

Out, out  
Out, out  
Paving your way down

'Cause I'm down  
On the ground  
So far down  
Again

So far down  
Down on the ground  
You're taking nothing for granted  
Just let it all hang out

So far down  
Down on the ground  
You're taking nothing for granted  
Just let it all hang out  
Let it all hang out
