D-Rock is the munch, with or without
Everybody knows that I'll slap their muthafuckers in
their mouth
Better pay attention, as I lay this shit higher
Understand this funk. funk the bonfire
Burnin' is the city that I'm coming
Back wit' this shit, cos' you're acting like you drop funk
Call me in n' out
I know you wanna sound like me
That's because I never imitate the upper MC's

X3
U-u-u-upper MC's

X2
All you super, super fly
Yeah, we super, super fly
And we gonna take you high
Cos' we super, super fly

Super fly guy if you like it or not
Then you know it's pity, cos' my city is hot
Here's a noble lesson, just before I retire
Takin' up ahead from my lick a' barb wire
Rappers take your style, cos' I'm strolling along
Collecting hit after hit, so guess I drop bombs
I know, you never heard a rapper like me
That's because I'm a super fly and a funky MC

X4
U-u-upper MC's

X2
All you super, super fly
Yeah, we super, super fly
And we gonna take you high
Cos' we super, super fly

X2
U-u-upper MC's
Yeah, we super, super fly

And we gonna take you high
U-u-upper MC's
