I'm always so tired he said  
I wish candy rain drops fell upon my head  
The novelty of all I've seen has silenced me  
Silenced me and now  
I lie In lies upon my bed  
See my sky is falling down  
I wish I could write a letter to myself explaining  
How I could get better some times  
I cry myself to sleep  
Hoping I can quiet all the demons reigning down on me  
In my head, Cause I can't breath  
He Said I wanna to run away  
She said, from the mistrust I've trusted  
The poverty of misery has wounded me  
Wounded me  
And now a sea of fears fills up my bed  
See my sky is falling down  
I wish I could write a letter to myself  
Explaining how I could get better some times  
I cry myself to sleep  
Hoping I can quiet all the Demons reigning down on me  
In my head or I'm not breathing still  
I'm always so alone a said  
I wish candy raindrops fell upon my head  
The poverty of jealousy is killing me  
Killing me and now  
I Cross my heart till I see red  
See my sky is falling down  
I wish I could write a letter to myself  
Explaining how I could get better some times  
I cry myself to sleep  
Hoping I can quiet all the demons reigning down on me  
In my head or I'm not breathing still
