I think I'm losing my mind
Complacency I can't find (But I can see it)
When life leads me blind
It takes up all of my time (I know I need it)
[CHORUS]
My secrecy doesn't bother me at all
Knowing me only causes me to fall
I've been chased by a sound
That's turning me all around (and now in running)
In life I have found
That loneliness wears the crown (and so I wear it)
[CHORUS]
Staring into a flame
Makes me smile once again (and so I burn it)
Love is a pain
And makes me feel like a stain (so I burn it)
[CHORUS]
Yeah, yeah, yeah
