Bubbling sound)
YEAH....
Penny says I am an angel with my arms around the sun
Dreaming colors blue and lonely
Flying all the pain away
She said make up, make up
I said wake up, wake up
The sky is falling all around us
Still Im smiling... lying in the shade
I am singing, I am laughing, I am not afraid
Im sipping LEMONADE
Its a lemonade rhyme, let me sparkle, let me shine
Let me feel so high in the sky I fly
Pretty little princess says she wanna sip this cool, cool
Lemonade, lemonade
I run, run, run, & I fly, fly, fly
Sucking up her energy and it be refreshing me
Sucking up the juices flowing
Going down but I think Im going no way
Lemonade, lemonade
Penny says she is a princess but her prince has lost his
crown
In his kingdom, in her city, love is music with no sound
She said make up, make up
I said wake up, wake up
The sky is falling all around us
Still Im smiling... lying in the shade
I am singing, I am laughing, I am not afraid
Im sipping LEMONADE
Its a lemonade rhyme, let me sparkle, let me shine
Let me feel so high in the sky I fly
Pretty little princess says she wanna sip this cool, cool
Lemonade, lemonade
I run, run, run, & I fly, fly, fly
Sucking up her energy and it be refreshing me
Sucking up the juices flowing
Going down but I think Im going no way
And the pretty lil princess said
And so she said....
"make up your minddd"
Make up my mihainnndddd
Because the sky is falling all around us

Still I'm smiling.. lying in the shade
I am singing, I am laughing, I am not afraid
I'm sipping LEMONADE
Its a lemonade rhyme, let me sparkle, let me shine
Let me feel so high in the sky I fly
Pretty little princess says she wanna sip this cool, cool
Lemonade, lemonade
I run, run, run, & I fly, fly, fly
Sucking up her energy and it be refreshing me
Sucking up the juices flowing
Going down but I think Im going no way
Sipping on lemonade yeah
(guitar plays till fades
