I have diseases  
And it pleases  
The parasites  
I am the flower  
Of the hour  
I gotta fight  
I am the demon  
Swim like semen  
The other way  
So all my lovers  
Run for cover  
You must obey  
(Parasite)  
When you try so hard to be like me  
Act like us still we see that you're fakin', fakin'  
I have a feeling  
You are stealing  
My sanity  
So now I'm kneeling  
And I'm peeling  
Humanity  
(Parasite)  
When you try so hard to be like me  
Act like us still we see that you're fakin', fakin'  
When you try so hard to be like me  
Act like us still we see that you're fakin', fakin'  
I have diseases  
And it pleases  
The parasites  
I am the flower  
Of the hour  
I gotta fight  
Ready, run away  
Get outta my way  
Gonna fuck up my day  
When all the kids say I'm crazy, crazy  
Ready, run away  
Get outta my way  
Gonna fuck up my day  
When all the kids say I'm crazy, crazy crazy  
When you try so hard to be like me  
Act like us still we see that you're fakin', fakin'

When you try so hard to be like me  
Act like us still we see that you're fakin', fakin'  
We see that you're fakin', you're fakin'  
Wew see that you're fakin', fakin' (fakin
