I'm ready to bring  
The message to the king  
Who can deny me?  
We seek his return  
As our country burns  
Will he kill the flames?

Feel his father's eye  
Guidance from the skies  
You now have your call  
Your people wait  
Accept your fate  
Don't betray your ancestry

Dispense with time  
Leave mystery behind  
For now is the time  
You have to decide

On destiny's eve  
Even the blind can see  
There's no way out  
A collision of destinies

Remember you should  
Your time of rule  
The days of omens gone  
Reborn with the mark  
Makes you history's part  
And easy for me to see

[Solos]

Dispense with time  
Leave mystery behind  
For now is the time  
You have to decide

On destiny's eve  
Even the blind can see  
There's no way out  
A collision of destinies

On destiny's eve  
Even the blind can see  
There's no way out  
A collision of destinies
