I've made my mistakes now haven't we all  
But I've learned from the wrongs that I've done  
And I'll do my best not to repeat them 'cause mistakes  
only bring me regrets  
I regret  
Regret, but I can't forget, 'cause I have the scars to  
remind me of the self-destructive past I left behind  
Rebuild, self-confidence and knowledge  
Found out my own truth

Now I'll decide, when there's a choice to make in my  
life

"For every lie I unlearn, I learn something new" (Ani  
Difranco).

I've made my mistakes now haven't we all  
But I've learned from the wrongs that I've done  
And I'll do my best not to repeat them 'cause mistakes  
only bring me regrets  
No more mistakes, to bring me regrets
