Heaven knows I've done no wrong  
I only want to sing this song to you  
Why did it have to end this way  
Only a fool like me could say to you that

If I ever had a line to heaven I swear  
I'd call you there  
If I ever had a line to heaven I swear  
I'll be there tonight  
Â

Where would I be without you now  
Yet I have to make it through this life  
Somehow  
Only time will tell me so  
Of the things I need to know  
Somehow

If I ever had a line to heaven I swear  
I'd call you there  
If I ever had a line to heaven I swear  
I'll be there

How do I find the answers  
To all the questions I've been hiding inside  
And all the fun and laughter  
We've shared I'll have to set aside

If I ever had a line to heaven I swear  
I'd call you there  
If I ever had a line to heaven I swear  
I'll be there  
If I ever had a line to heaven I swear  
I'd call you there  
If I ever had a line to heaven I swear  
I'll be there tonight
