Inner voice that breaks the silence
Tells the same old story again
Years have passed, but standing still
Frozen time reveals the pain

[Chorus:]

That seemed passed away
A long time ago
The same words I say
I don't want to be said

Buried memories came to life
Same moment transcended through time
I close my eyes and live it again
Search the answers that cannot be found

[Chorus:]

In past where dark shadows
Won't reveal mistakes being made
Vacancy brought by the future
Will end this life again

... and I recall the past
Ancient grief echoes again
... and the echo will last
Through words never written
... but said
Once, but too much

... and I recall the past
Abyssus abyssum invocat
... and I wait for the rest
Aequat omnia cinis
Aeternum vale...
