And I love her so  
I wouldn't trade her for gold  
I'm walking on moonbeams  
I was born with a silver spoon

Hell, I'm gone on be me  
I'm gonna be free  
I'm walking on moonbeams  
And staring out to sea

And if a door be closed  
Then a row of homes start building  
And tear your curtains down  
For sunlight is like gold

Hey, you better be you  
And do what you can do  
When you're walking on moonbeams  
And staring out to sea

'Cause if your skin was soil  
How long do you think before they'd start digging?  
And if your life was gold  
How long do you think you'd stay living?  
Hey, hey

And I love her so  
I wouldn't trade her for gold
