Bewitched, bewitched, you've got me in your spell.

Bewitched, bewitched, you know your craft so well.

Before I knew what you were doing I looked in your eyes.

That brand of woo that you've been brew-in' took me by surprise.

You witch, you witch, one thing that's for sure,

That stuff you pitch - just hasn't got a cure.

My heart was under lock and key, but somehow it got unhitched.

I never thought my heart could be had.

But now I'm caught and I'm kind of glad to be Bewitched.

Bewitched-witched.
