It's just one more day no one said
There would be rain again
Won't blame it on myself
I'll blame it on the weatherman

Get away for a while
Here I am out on my own again
Won't blame it on myself
I'll blame it on the weatherman

Standing on the shore
Calling out your name
I was here before
I could see your face

Only clouds will see
Tears are in my eyes
Empty like my heart
Why do ya say goodbye?

The rain goes on
(On and on again)
The rain goes on
(On and on again)
The rain goes on
(On and on again)

Alone I can hear, hear our song
Playing for me again
Won't blame it on myself
Just blame it on the weatherman

Standing on the shore
Calling out your name
I was here before
I could see your face

Only clouds will see
Tears are in my eyes
Empty like my heart
Why do ya say goodbye?

The rain goes on
(On and on again)
The rain goes on
(On and on again)
The rain goes on
(On and on again)

Maybe it's too late
Maybe it's too late to try again
Maybe I can pray maybe I can wait
And maybe I can blame it on the weatherman

The rain goes on
(On and on again)
The rain goes on
(On and on again)
The rain goes on
(On and on again)
Oh blame it on the weatherman
