Yeah!

Don't be a brontosaurus
(Don't be a brontosaurus)
Don't you ever walk that way?
(Don't you ever walk that way?)
It's the right thing to do
(It's the right thing to do)
Just doing what you do
(Just doing what you do)

Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's hear you say

Everybody gather 'round
Don't you know what we have found
Ohhh eveybody get happy
A B C count me in with 1 2 3
Ohhh and everybody get happy

Pick the rock a glory
So tell me what's the story
So keep the bad vibes well away
(So keep the bad vibes well away)
What you gonna do?
What you gonna do?
Kicking off with something new
(Kicking off with something new)

Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's hear you say

Everybody gather 'round
Don't you know what we have fund
Ohhh eveybody get happy
A B C count me in with 1 2 3
Ohhh everybody get happy
