Come on, baby, come on, baby

Tell me about your day, what you been thinkin'?
'Cos I been waiting outside your place
Waiting a long time now and I been callin'
Baby, I just had to see your face

Please don't tell me I'm in your way
I want your love more and more each day

Never giving up now, all of my heart is in it
You can't walk away
Never giving up now, taking it to the limit
Do you feel the same as I do?

Walking you to your door, feel my heart sinking
Give me a chance, boy, don't turn me down
I can be anything, all that you wanted
I'll be your king and you can wear my crown

You get stronger every time
Don't you know
You've been on my mind

Never giving up now, all of my heart is in it
You can't walk away
Never giving up now, taking it to the limit
Do you feel the same as I do?

Come on, baby

You get stronger every time
Don't you know
You've been on my mind
You've been on my mind
You've been on my mind
You've been on my mind

Never giving up now, all of my heart is in it
You can't walk away
Never giving up now, taking it to the limit
Do you feel the same?

Never giving up now, never giving up now

Never giving up now, all of my heart is in it

You can't walk away

Never giving up now, taking it to the limit

Do you feel the same?

Never giving up now, all of my heart is in it

You can't walk away

Never giving up now, taking it to the limit

Do you feel the same?
