"Oh Mister Postman"

Angel, I can feel it's not you
Angel, I wish it were not true
And as I walk to the beat of my heart inside
I feel like letting go
Oh, darling now in my dream you'll be tonight so

Oh, Mister Postman, give me a sign
Tell me you've a letter to make me feel fine
Oh, don't you know I am waiting here for you
Tell me it will be here tonight

Baby, it's the way that I feel
Baby, my heart, it won't conceal
And as I walk to the beat of my heart inside
I feel like letting go
Oh, darling now in my dream you'll be tonight, so

Oh, Mister Postman, give me a sign
Tell me you've a letter to make me feel fine
Oh, don't you know I am waiting here for you
Tell me it will be here tonight

Oh tonight
He's in my heart, in my soul

And oh, Mister Postman at last it's arrived
Here I have a letter, I know he's alive
Oh don't you know there's no more waiting here for him
Now I won't write

Now I won't write
Now I won't write
Now I won't write
Goodbye
(Good bye, Mister Postman)
