today's the day  
we're here to play  
and lost our way  
it's always the same  
oh baby now  
climb the trees  
swim the seven seas  
we grazed our knees  
and no one to blame  
ohhh

come and sit beside us  
we'll give ya such a thrill  
we're not nice we're cool as ice  
we'll give you quite a chill  
your imagination take over on this ride  
out of sight  
all right  
hold on tight

and come on  
come on  
get it on  
we're riding in a rollercoaster  
come on  
come along  
get it on  
we're riding in a rollercoaster  
of love

so don't be shy  
you'll soon be high  
we'll touch the sky  
you'll never believe  
oh baby now  
run around  
but don't look down  
we won't be found  
you better believe it

come and sit beside us

we'll give such a thrill  
we're not nice  
we're cool as ice  
we'll give ya quit a chill  
let your imagination  
take over on this ride  
out of sight  
all right  
hold on tight

and come on  
come on  
get it on we're riding in a  
rollercoaster  
come on  
come along  
get it on we're riding in a  
rollercoaster of love

come on  
come on  
get it on we're riding in a  
rollercoaster  
come on  
come along  
get it on we're riding in a  
rollercoaster  
of love

get it on we're riding in a  
rollercoaster of love  
of love  
of love  
of love
