It's kinda funny  
Tomorrow is yesterday  
It feels so good  
We'll slide on a rainbow  
Catching a moonbeam or two oh, oh

Don't tell me I'm a dreamer  
'cause I don't want to know  
(so let me take you there)

I know (I know)  
We're gonna get there someday  
(we're gonna get there someday)  
And don't you know (oh don't you know)  
We're gonna get there someday  
(we're gonna get there someday)

I'll tell you something  
Life is a mystery  
It'll be so good  
Sail in a teacup  
Drift on a milky white sea oh, oh

Don't come tellin' me I'm a dreamer  
'cause I don't want to know  
(so let me take you there)

I know (I know)  
We're gonna get there someday  
(we're gonna get there someday)  
Oh yeah  
And don't you know (oh don't you know)  
We're gonna get there someday  
(we're gonna get there someday)  
Someday

Everyone (everyone)  
Has their crazy world (crazy world)  
And everyone, they want to (they want to) just say  
And you're the one (you're the one)  
You're the only one  
I want to share

I'll share with you

Because I know, we're gonna get there someday  
Yeah, yeah

I know (I know)  
We're gonna get there someday  
(we're gonna get there someday)  
Someday  
And don't you know (oh don't you know)  
(don't you know) we're gonna get there someday  
(we're gonna get there someday)  
Oh oh

I know (I know)  
(don't you know) we're gonna get there someday  
(we're gonna get there someday)  
Someday  
And don't you know (oh don't you know)  
We're gonna get there someday
