As the Ripper returned from the Dark  
With a strong urge for Blood  
Seven deadly blades, with the Devil's mark  
Satanic tools to slay the ones of god

The Ripper's Return  
You're going to burn  
And Die by the Blade in His hand  
The Ripper's Return  
Nowhere to turn  
Blood is spilled all over the land

You try to hide, but there is no escape  
You're one of the dead  
By the Ripper, your soul was raped  
Your christian blood runs red

"As the first knife, rode the wings of the night  
The second one sunk into a sea of flesh.  
While the third knife gazed into the heart of men,  
The fourth one reflected the horror of midnight death.  
And the fifth slaughtered all the women and children of  
god,  
While the sixth blew out all other candles of life.  
And finally, the seventh knife is now staring into the  
eyes of  
yours."

As the Ripper descended to Hell  
Called by the horned Lord below  
The Hellcult unleashes His ungodly spell  
All victims are tortured in Hell
