Staring at the walls
Sitting on this bed
Waiting for the phone to ring
To see what lies ahead

Memories on the table
Clothes thrown on the floor
Trace what was going to be
It's not there anymore

But we'll get through this somehow
'Cause we got each other now

Ooh, times change
Together we'll be fine
You and me, yeah
It's not easy all the time

Who would think it'd come to this
Heart it's so so hard
You and me yeah
Together we'll be fine

Voices in our heads
Silence in the room
Conversations that we had
Words we want to say

Life is rolling by
As we understand
Smiles are coming back again
Powers in our hands

But we'll get through this somehow
'Cause we got each other now

Ooh, times change
Together we'll be fine
You and me, yeah
It's not easy all the time

Who would think it'd come to this

Heart it's so so hard
You and me yeah
Together we'll be fine

'Cause we got each other now

Ooh, times change
Together we'll be fine
You and me, yeah
It not easy all the time

Who would think it'd come to this
Heart it's so so hard
You and me
Together we'll be fine

Together we'll be fine
'Cause we got each other now
