[Originally performed by Venom]

Warhead - hear the thunder roar  
Warhead - unite the lightning whore

Power burning - Hell & man  
Raging torment - Take my hand  
Frenzied motions - Reach your soul  
Dance the warhead - Fast of slow

Born of thunder  
Raised by fire  
Call the heavens  
By desire

Screaming furnace - Death of life  
Demons calling - Chosen wives  
Sabbats charming - Out in lust  
Chance the warhead - Win or bust

Warhead - hear the thunder roar  
Warhead - unite the lightning whore  
Warhead - engraved on flesh & bone  
Warhead - born of mortal stone
