So are you ready to go?
Here we go

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah
(We four girls, we four girls)

So get it when you got it
Just keep it good
So you got it, just use it
And work it good

So get it when you got it
Just keep it good
So you got it, just use it
And work it good

So are you ready to go?
Here we go

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah
(We four girls, we four girls)

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah

So you want it, come and get it
Gonna tell you why
Believe it, you can do it
And reach up high

So you want it, come and get it
Gonna tell you why
Believe it, you can do it
And reach up high

So are you ready to go?
Here we go

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah
(We four girls, we four girls)

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah

Come on, yeah
(We four girls are here to stay)
Come on, yeah, yeah
(We four girls, we four girls)

Come on, yeah
(We four girls are here to stay)
Come on, ooh, yeah
