Resile to nil
Resile then stand still
Numbers uneven even is color
Smear'd over apt loyal followers
Blind eye, aye, and the ayes have it
Have it and hold it
Abuse and lose it
Watch it slip away
Ashes to ashes
A bitter end
Conformity reigns
A bitter end, everyday
A bitter end
Step back stand down
Thorns are aplenty which ones make the crown
Everyone yes everyone
But who will please rise when the damage is done
Democracy turned into charades
I know what you'll say
I know just how you play your game
And you will reap what you sow
