Roads?  
Where we're going we don't need no roads

Marty McFly  
Come pick me up  
I need a ride  
I wanna see what shows were like in '83

Back to when it all began  
Back to when it meant so much more  
Back to all who sold school shows  
I'll never wanna go  
Back to the future

Hey Doc Brown  
I wanna see Earth when it came about  
No I can't relate, so I sent you right back to '88

Back to when it all began  
Back to when it meant so much more  
Back to all who sold school shows  
Now I never wanna go  
Back to the future

Back to the future  
Back to the future  
Back to the future  
Yeah

You know who I wanna see?  
I'll tell you

Mighty Fred at 9:30  
Crowmax at The Ritz  
I'll never wanna go  
Back to the future

Jeeby and seebys wrecking crew at the rap  
I'll never wanna go  
Back to the future

Youth of today  
At the anthrax  
I'll never wanna go  
Back to the future

Brederan and sheres  
We're all in Vegas  
I'll never wanna go  
Back to the future
