You might think you look stupid
But the ISHC
We think it's cool
Yeah yeah

Your friend slams the brake
You smash your head
Be thankful for your life
You could be dead
You get hit from behind
Your car's all a wreck
Be thankful for your life
You could've broke your neck

Seat belt
Seat belt
Never forget
Never forget your
Seat belt
Seat belt
Never forget
So listen up

You're driving around and you get hit by a van
You're swerving outta control
But you're doing what you can
To save your life
But there's no need to try
Because without your seat belt
You know you're gonna die

Seat belt
Seat belt
Never forget
Never forget your
Seat belt
Seat belt
Never forget
Never forget

You've seen the ads

You heard it in school
Your parents told you
You know the rules

Seat belt
Seat belt
Buckle your seat belt
Seat belt
Buckle your seat belt
Seat belt
Buckle your seat belt
