This song's about all the sellouts out there
All the sellout superheroes that don't even save the
world anymore
They only care about making money in Hollywood
Captain Straight Edge will never sellout to Hollywood
Neither will the ISHC
Kick it

Superman made a movie
Spiderman made a movie
Hulk
Who's next?
Superhero Sellouts

X-Men made a movie
Fantastic Four made a movie
Daredevil
Who's next?
Superhero Sellouts

Elektra made a movie
Blade made a movie
Punisher
Who's next?
Superhero Sellouts

Spawn made a movie
Hellboy made a movie
Judge Dread
Who's next?
Superhero Sellouts
