Yeah

There's not a wardrobe for hardcore, despite what you think

I mean, look at us, we wear capes

You don't have to have tattoos to be cool
If you like hardcore, then we think you rule
You don't have to have a faux-hawk to be cool
If you like hardcore, then we think you rule

A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene
A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene

You don't have to wear camouflage to be cool
If you like hardcore, then we think you rule
You don't have to like my band to be cool
If you like hardcore, then yeah

A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene
A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene

Yeah Captain Straight-Edge doesn't understand it
You want to be original, you want to stand out
But you all look exactly the same
You're all a bunch a little wieners

A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene
A fashion show, you know what I mean?
A bunch a trendy kids ruined my scene
