I did not take to analysis  
So I had to make up my mind  
And hold it for a while

I would not just leave you without a kiss  
But I guess there must come a time  
When there's no more tears to cry

Thieves and snakes need homes  
Need homes, barricade

It starts to feel like a barricade  
To keep us away, to keep us away  
It kind of does  
It starts to feel like a barricade  
To keep us away, keep us away

I could not lean on the politics  
'Cause I didn't want to train my eye  
To hold so short a time

Oh so high, just don't know  
Where the blind could lead the sightless  
But I still like to witness

Thieves and snakes need homes  
Need homes, barricade

It starts to feel like a barricade  
To keep us away, to keep us away  
It kind of does  
It starts to feel like a barricade  
To keep us away, keep us away

Full speed, half blind  
Full tilt, decline  
We turn to past times  
Full speed, half blind

You know us  
You know us  
And we said

I'm sorry  
Say, I'm sorry

Sometimes it feels like a barricade  
To keep us away, keep us away  
It kind of does  
How much fear can you fabricate  
To keep us away, keep us away  
You know us

Full speed, half blind  
Full tilt, decline  
We turn to past times  
Full speed, half blind

Full speed, half blind  
Full tilt, decline  
On to old times  
Full speed, half blind
