[music and lyrics: Costea]

The flapping of my wings,  
Alone in bed she sings.  
Like the king of the night  
I fly off reality  
And I know  
Our souls will stay together  
This feeling lives forever  
Just like a curse

Flying so low around me  
One hundred eyes glow inside me  
Draining my blood  
Like the bats in my attic.  
Like darkness they show around me  
One hundred eyes glow inside me!  
Bats in the attic

I pierce her tender skin  
I'm dragging her in sin.  
She's still alive  
But she is now in my control  
And I know our souls will stay together,  
This feeling lives forever  
Just like a curse
