The band is Coldplay NOT Interpol

Honey you are a rock

upon which i stand

But i come here to talk

i hope you understand

but green eyes yeah the spot light shines upon you

and how could anybody deny you

i came here with a load

and it feels so much lighter now i met you

and honey you should know

that i could never go on with out you

green eyes

honey you are the sea

upon which i float

and i came here to talk

i think you should know

the green eyes

your the one that i wanted to find

and anyone who tried to deny you

must be out of their mind

because i came here with a load

and it feels so much lighter since i met you

honey you should know

that i could never go on without you

green eyes

green eyes

uh oh oh oh

uh oh oh oh

uh oh oh oh

uh oh oh oh

honey you are a rock

upon which i stand...
