This one is called Stella was a diver and she's always down

When she walks down the street  
She knows there's people watching  
The building fronts are just fronts  
To hide the people watching her  
She once fell through the street  
Down the manhole in a that bad way  
The underground drip  
It's just like her scuba days

Days  
Daze  
Days  
Daze

She was all right cause the sea was so airtight she  
broke away  
She was all right cause the sea was so airtight she  
broke away  
She was all right but she can't come out tonight she  
broke away  
She was all right yeah the sea was so tight, air-tight  
She broke away broke away  
She broke away broke away  
She broke away broke away  
She broke away  
Bottom of the ocean she dwells  
Bottom of the ocean she dwells  
From crevices caressed by fingers  
And fat blue serpent swells

Stella  
Stella  
Oh Stella

Stella I love you Stella I love you Stella I love you  
She was all right cause the sea was so airtight she  
broke away  
She was all right cause the sea was so airtight she  
broke away

She was all right but she can't come out tonight she  
broke away  
She was all right yeah the sea was so tight, air-tight  
She broke away broke away  
She broke away broke away  
She broke away broke away  
She broke away

Well she was my catatonic sex toy love-joy diver  
Well she was my catatonic sex toy love-joy diver  
She went down down down there into the sea  
She went down down down there down there for me

Right on  
Oh yeah  
Right on  
It's so good  
Oh yeah  
Right on  
It's so good  
Oh yeah

There's something that's invisible  
There's some things you can't hide  
Try to detect you when I'm sleeping  
In a wave you say goodbye
