When she walks down the street  
She knows there's people watching  
The building fronts are just fronts  
To hide the people watching her

But she once fell through the street  
Down a manhole in that bad way  
The underground drip  
Was just like her scuba days

Days  
Daze  
Days  
Daze

She was all right because the sea was so airtight, she  
broke away  
She is all right but she can't come out tonight, she  
broke away  
She was all right, yeah the sea was so tight, air tight  
She broke away, broke away

At the bottom of the ocean she dwells  
At the bottom of the ocean she dwells  
From crevices caressed by fingers  
And fat blue serpent swells  
Stella, Stella, Stella, Stella, I love you

[Unverified]

Well, she was my catatonic sex toy, love-joy diver  
She went down down down there into the sea  
Yeah, she went down down down there, down there for  
me, right on  
So good, oh yeah, right on

There's something that's invisible  
There's some things you can't hide  
Try detect you when I'm sleeping  
In a wave you say goodbye
