How're things on the west coast?!
I hear you're moving real fine
You wear the shoes like a dove
Now stop those shoes roaming in the nighth
How're the things on the west coast?!

You keep in moving to your soul's delight
Now try the brakes
I tried but you know it's a lonely ride
How're the things on the west coast?!
Oh I knew heaven behind those eyes

Today my heart swings
Yeah, today my heart swings
But i don't want take your heart
And i don't want a piece of history
No i don't want to read your thoughts anymore
My god...

'Cause today my heart swings
Yeah, today my heart swings

How're the things on the west coast?!
Here you're moving real fine tonigth
You wear the shoes side a side

Oh stop those shoes from roaming in the nighth
How're the things on the west coast?!
Yeah but you're an actress I don't identify

Today my heart swings
Yeah, today my heart swings
Say it...
But i don't want play the part
And i don't want a taste of victory
No i don't want to read your thoughts anymore
My god...

'Cause today my heart swings
Yeah, today my heart swings

Say it...
'Cause today my heart swings
Yeah, today my heart swings

Let it come...
'Cause i've got a chance for a sweet life
I said i've got a dance and you do just fine
Well i've got a plan forward in my eyes

Let it come...
Cause i've got a chance for a sweet ... life
I said i've got a dance and you do just fine
Well i've got a plan forward in my eyes

But today my heart swings...
