[music: Tentu/Boeru, lyrics: Boeru]

In my dreams, I dream that I died,  
I'm landed on a rocky shore  
Haunted by waves and winds,  
Where as the sand I lay.

And U hear the storm!  
Oh, I hear the storm!

Cold hands as winter winds  
Untie my being. They set me free.  
And cold storms from outside  
Grasp my shell, becoming me.

I feel the moonlight dead as I am  
And withered leaves in the wind  
Floating through the land of nowhere  
As my life is lost in time.

And my life is gone  
And I hear the storm!

Frozen winds cut my breath,  
So I can taste the death.
