The silence is good, I know what I should
But I want to party, the zen is no good
The city is fine, the party is mine
The night is for clubbing

I've traveled the world, I've been up and down
I've seen lots of places but this is my town
You got what it takes, the night is awake
The music is pumping

Back to boogaloo (Where the club is kicking)
Back to boogaloo (Every tongue is licking)
Play my peek-a-boo (Where the club is kicking)
Back to boogaloo

(Barcelona) Got a ticket to the sky
(Barcelona) By the late night flight
(Barcelona) Gonna shake on the high
(Barcelona) In the neon lights

(Barcelona) Got a ticket to the sky
(Barcelona) By the late night flight
(Barcelona) Gonna shake on the high
(Barcelona) In the neon lights

We've been long

What Gaudi attracts and Mercury sang
The city I yonder when you do your thang
My thang is the night, the city of lights
Tonight is for clubbing

Back to boogaloo (Where the club is kicking)
Back to boogaloo (Every tongue is licking)
Play my peek-a-boo (Where the club is kicking)
Back to boogaloo

(Barcelona) Got a ticket to the sky
(Barcelona) By the late night flight
(Barcelona) Gonna shake on the high
(Barcelona) In the neon lights

'Cause you were the best thing ever
Never, never loose you out of sight
I gave you my sweet invotion
Stronger than motion
Things will be alright
