Spinning around, 'round, spinning around  
The surround sound spinning around  
Round, round down underground  
The surround sound spinning, spinning, spinning,  
spinning, spinning around

Rocking the boat on the Atlantic waves  
Burning the tarmac at the JFK  
Pulling a train across the midwest plains  
Driving a limo down the carpool lane

We've been conquering America  
Heads are spinning around  
We've been conquering America  
Lips are kissing the ground

Spinning around, 'round, spinning around  
The surround sound spinning around  
Round, round down underground  
The surround sound spinning around

Land of the free I break a look mundane  
Home of the brave I take a walk on fame  
Chasing a dream inside the melting pot  
Closing the gap I'm gonna shoot my shot

We've been conquering America  
Heads are spinning around  
We've been conquering America  
Lips are kissing the ground

Spinning around, 'round, spinning around  
The surround sound spinning around  
Round, round down underground  
The surround sound spinning around

L'homme avec les cigarettes et le chewing gum  
Mon ami américain  
L'homme avec les cigarettes et le chewing gum  
Mon ami américain

Spinning around

We've been conquering America  
Heads are spinning around  
We've been conquering America  
Lips are kissing the ground

Spinning around, 'round, spinning around  
The surround sound spinning around  
Round, round down underground  
The surround sound spinning around

Together

We've been conquering America  
Heads are spinning around  
We've been conquering America  
Lips are kissing the ground

Spinning around, 'round, spinning around  
The surround sound spinning around  
Round, round down underground  
The surround sound spinning around
