I hear you've been seeing someone  
Someone from my neighborhood  
I hear you look both so happy  
Like I always knew you would

It's a story of sex and power  
Intense till the bitter end  
We dance in the late night hour  
In cold dark jealousy

You said I should trust my instincts  
You said I could keep my cool  
Now I'm made to look the weakling  
I behave like a village fool

It's a story of sex and power  
Intense till the bitter end  
We dance in the late night hour  
In cold dark jealousy

Night falls with the dirty secrets  
Paper notes in your overcoat  
I wonder what you've been doing  
Holidaying on my best friend's boat

It's a story of sex and power  
Intense till the bitter end  
We dance in the late night hour  
In cold dark jealousy

I hear you've been seeing someone  
Someone from my neighborhood  
I hear you look both so happy  
Like I always knew you would

It's a story of sex and power  
Intense till the bitter end  
We dance in the late night hour  
In cold dark jealousy

(In cold dark jealousy)  
(In cold dark jealousy)

(In cold dark jealousy)  
(In cold dark jealousy)
