Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry

Now now that you're gone  
My world's turning to stone  
Now now that you're gone I'm alone

So many nights you would beg me to stay  
So many times I would leave anyway

I had love in the palm of my hand  
Why didn't I understand

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry

Now now that you're gone  
My world's turning to stone  
Now now that you're gone I'm alone

I should've seen all the tears that you cried  
I should've been there to hold you at night

Now I know just what I should do  
Now that you're gone I love you

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry

Now now that you're gone  
My world's turning to stone  
Now now that you're gone I'm alone

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry

Now now that you're gone  
My world's turning to stone

Now now that you're gone I'm alone
