The best part of an era,
Is the part you leave behind.
You push away the past and change with time.
The best part about you,
Are the things that I can't find.
There's so much I never knew.
I think I better move!

Move!

Always I'm ahead of myself,
Like a bad dream, I'm a man at the wrong scene.
Feet stuck to the floor, death's door.
When I try to run, I never get far.
I wake up in a sweat, I wanna scream. . .
But I'm told to sing.
Do you know what I mean?
Think about it.

(4x) Does anybody know?
Does anybody really wanna know?

For the most part, it is better late
Whenever you know
You never fit in to begin.
Take a look at yourself son, deep within.
You learn a lot, (huh!)
See a lot.
You learn to see who talks a lot,
Kinda like you.
There's so much I never knew. . .
I think I better move!

Move!

(4x) Does anybody know?
Does anybody really wanna know?
